THIS AGREEMENT, entered into this / / day of January, 1970, by and between the BOARD OF EDUCATION OF THE BOROUGH OF HAMBURG, hereinafter called the "Board" and the HAMBURG EDUCATION ASSOCIATION, hereinafter called the "Association."

The Board reserves to itself sole jurisdiction and authority over matters of policy and retains the right, subject only to the limitations imposed by the language of this agreement, in accordance with applicable laws and regulations (a) to direct employees of the school district; (b) to hire, promote, transfer, assign, and retain employees in positions in the school district, and for just cause, to suspend, to demote, discharge, or take other disciplinary action against employees; (c) to relieve employees from duty because of lack of work or for other legitimate reasons; (d) to maintain the efficiency of the school district operations entrusted to them; (e) to determine the methods, means and personnel by which such operations are to be conducted; and (f) to take whatever actions may be necessary to carry out the mission of the school district in situations of emergency.

Participation by any member of the negotiating unit in a strike, or a refusal to perform duties, shall be just cause for disciplinary action.

No lockout of employees shall be instituted by the Board during the term of this Agreement. The Association agrees that during the term of this Agreement neither it nor its officers, employees or members will engage in, encourage, sanction, support, or suggest any strikes, work stoppages, boycotts, slow downs, mass resignations, mass absenteeism, picketing or any other similar actions which would involve suspension of, or interference with the normal work of the Board. In the event that Association members participate in such activities in violation of this provision, the Association shall notify those members so engaged to cease and desist from such activities and shall instruct the members to return to their normal duties. Any employee participating in these prohibitive activities may be disciplined by the Board.

It is understood by all parties that the Association expressly agrees that negotiations will be conducted without the use of pressure tactics or any practice generally defined within the term "sanctions." The parties also agree that during the period of negotiations the only publicity accorded the negotiations by the parties will consist of a joint press release or, in the

It is understood by all parties that under the rulings of the Courts of New Jersey and the State Commissioner of Education, the Board of Education is forbidden to waive any rights or powers granted it by law.

The parties agree to follow the procedures outlined in the Agreement, and to use no other channels to resolve any question or proposal until the procedures within this Agreement are fully exhausted.
